

AHCL Staff Giving Circle

Our people, our projects

San Foundation has been supporting projects at Sydney Adventist Hospital since 1987. With the help of generous supporters, including some of our wonderful staff, doctors and volunteers, last year alone the Foundation has enabled contributions to many major projects, including:

4K camera installations
in operating theatres

Da Vinci Xi robot

New Mammography
machine

Jacaranda Lodge refresh –
paint, bathrooms, kitchens,
flooring, garden

Palliative Care in the
Home service

(and lots of other projects to make improvements for our staff and patients)

Would you like to have a say in deciding which projects are supported? **You can!**

Here's how: By registering a regular fortnightly salary sacrifice of as little as \$2, you can join the AHCL Staff Giving Circle.

AHCL Staff Giving Circle funds will be held in a San Foundation account. You will be able to see the account's growth on Pulse and the San Foundation website. Each time the account reaches \$20,000, current members of the AHCL Staff Giving Circle will be able to nominate and vote on their project funding choices. The more members your department or project has represented, the more votes it will have. (By the way, it's all totally confidential. We will not disclose your details to anyone).

Start supporting your special projects, or major hospital projects, right now by registering today. Just complete the simple form attached and either scan and email it to **foundation@sah.org.au** or pop it in the internal mail.

Make sure you include your email address – it's so much easier to communicate with you that way. AND the bonus is your contributions will be made from your pre-tax (gross) pay, reducing your taxable income.
