THE WAIT IS OVER... YOUR NEWBORN BABY IS FINALLY HERE.

The birth of your baby is one of the most cherished and memorable events in your family's life. Nothing compares to the joy of seeing and holding your newborn baby for the first time.

As you start this new journey with a little hand to hold, we invite you to mark this important occasion by making a donation to the San Foundation.

We will acknowledge your gift with a San Baby Bear keepsake plaque which is engraved with your baby's name and date of birth, and beautifully displayed on the San Baby Bear tree within the maternity unit of the hospital for 12 months.

Children and adults alike love the cute and elegant silver and gold bears that welcome visitors on arrival at the Hospital.

BABY'S FIRST GIFT

Whether you're a parent, grandparent, relative or friend there could be no better way to celebrate a newborn's arrival than by choosing a San Baby Bear keepsake.

To order a San Baby Bear keepsake, please complete the order coupon. Your donation of \$50 or more is fully tax-deductible.

By celebrating your baby's birth in this way, you will help to raise much needed funds for the San Foundation to continue to provide the best possible care for every patient at the San.

Your donation today will help deliver advancements in health technology, research, programs and equipment for patients in the community.

Donations from San babies just like yours have helped the San Foundation purchase vital equipment for the Special Care Nursery as well as ultrasound machines for expectant mothers. What a memorable gift your baby's donation can make for others – especially to help our very smallest patients.

I'M A SAN BABY, ARE YOU?

The San has been assisting in the delivery and care of babies since the arrival of the first 'San Baby' in 1903. Today we proudly welcome almost 2,000 San babies into the world each year.

We invite all San babies to join the San Baby Club and receive birthday messages, event invitations and newsletters from San Foundation.

Tell the world you're a San Baby #imasanbaby
